

TRUMP'S INFRASTRUCTURE PLAN

IT'S A LIE

AND IT LEADS US NOWHERE

Don't let Trump's toxic lies destroy America's infrastructure.

Trump will jeopardize your job with his crumbling, anti-union economic plan that means less work for our members. Trump's infrastructure plan is broken and uses money that doesn't exist. His long-term plan for building roads is a fraud. Do not believe Trump's lies!

America needs to rebuild its infrastructure using quality, trained UBC members. We need a leader who can help promote and protect our union ways. This is critical for building jobs, building wages, and building up the middle class.
